

LANGUAGE SOLUTIONS FOR SURVEYS

from Responsive Translation

HR, health, education and marketing

PRE-TRANSLATION

Glossary and style guide design, ambiguity check, concept analysis and more. Psychometric surveys are our specialty.

TRANSLATION

Translation, edit and QA analysis. Specialized translators and editors. ISO 9001 certified quality processes for continuous quality improvement. Secure integrations available for faster service.

ADAPTATION

Subject matter experts (SMEs) and linguists team up to adapt questions based on a project-specific methodology designed to achieve your organization's goals.

POST-TRANSLATION PRODUCTION SERVICES

Web and print design. Web development. Full service. Audio, video and multimedia translation, subtitling, dubbing and more.

VALIDATION

Subject matter expert review and validation, user and in-country review, linguistic validation and more.

EXPERIENCE AND QUALIFICATIONS

More than two decades translating and adapting survey content. Ranked first for client satisfaction among language service providers. Certified for ISO 9001. Certified woman-owned business.
